

# **MISSION**

**The mission of the Jeff Davis County School System is to develop successful, productive citizens who make a positive contribution to society.**

# **VISION**

**Our vision is to maintain a relentless pursuit of excellence as we prepare students for life.**

# **BELIEFS**

- **We believe all students can learn.**
- **We believe learning is a shared responsibility between the school, home, and community.**
- **We believe a safe, supportive, and structured environment provides for optimal learning.**
- **We believe effective teachers and leaders have a great impact on learning.**
- **We believe student success is necessary for economic growth.**
- **We believe in maximizing student achievement through good stewardship of funding.**
